RRP Lead Renovator Registration

This RRP Lead Renovator training was developed by the U.S Environmental Protection Agency (EPA) and has been delegated to various states, including Massachusetts and Rhode Island. Students will be required to pass a final exam on the last day of training in order to receive a RRP Lead Renovator certification. There is a maximum of 20 individuals per session. This is an 8 hour session.

At the conclusion of this course, the student will be able to:
- Why Should I Be Concerned About Lead Paint?
- Understand the Regulations
- How to Prepare
- Dust Containment
- Cleaning and Checking Your Work
- Record Keeping
- Training Non-Certified Renovation Workers
- State specific regulations
